

More materials are coming to your recycling program!

Starting on October 1, 2026, all Albertans will be able to recycle more materials no matter where they live in the province.

Learn more: circularmaterials.ca/AB

Effective October 1, 2026, a new province-wide list will expand the type of materials that can be recycled to include:

- Flexible plastic and films
- Empty aerosol containers
- Foam packaging
- Paper laminates (like coffee cups and ice-cream containers)
- Glass containers

Recycling gives materials a second life, conserves natural resources, and protects our environment for future generations.

Your recycling efforts count.
