You can now report your vehicle collision online
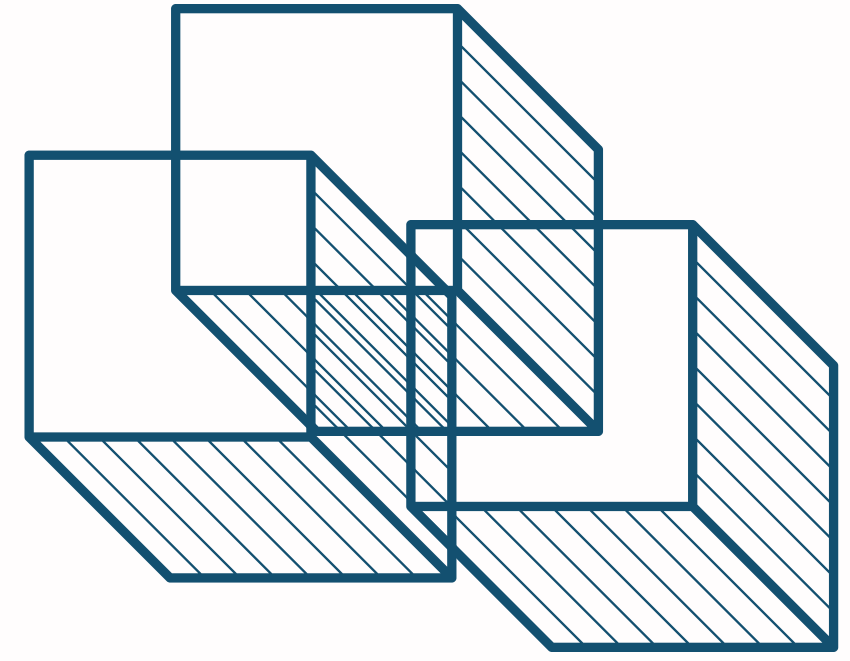

Report My Collision is a new online service for Albertans to report single-vehicle collisions quickly and easily

Scan the QR code

Report My Collision currently supports four types of collisions:

- Your vehicle struck an animal
- Your vehicle struck an object (not another vehicle)
- Your vehicle ran off the road
- Your vehicle was involved in a parked vehicle hit and run

To confirm you meet the eligibility requirements to use the service, please scan the QR code or visit Report My Collision online at: https://report-my-collision.alberta.ca/
