### **4. APN – Housing Construction Plan**

**Closing Date:** 2026/04/03 02:00:00 PM EDT

The Canadian Forces Housing Agency (CFHA) is planning a Housing Program to support the delivery of new residential housing for members of the Canadian Armed Forces at bases and wings across Canada. CFHA is responsible for the provision and management of military housing on Department of National Defence (DND) lands, and this program supports ongoing efforts to modernize and expand the housing portfolio to meet current and future operational needs.

The objective of the program is to deliver new housing efficiently and at speed through Modified Design-Build (MDB) delivery model that integrates studies, design and construction under a single contract.

The services required under this program include:

Architecture & Engineering (A&E) services for the provision site studies, planning and detailed design development and all associated works.

Design and construction of new infrastructure and housing to support the residential housing program.

It is anticipated that the following solicitations related to this program will be initiated in Spring 2026. This is conditional on receiving approval to proceed by the Department of National Defence (DND).

Please note that certain locations may involve phased delivery. Planned building types will emphasize higher-density development, primarily mid-rise apartment buildings. The proposed number of units at each location is subject to adjustment as requirements are finalized.
