## Bevan's Nature Area Bush Mulching

### Schedule

Due to a variety of factors including the protection of nesting birds, bush mulching in Bevan's Nature Area (behind 18th Street & 8th Avenue) will be carried out in **October**.

### Goal

The goal of bush mulching is to provide a larger fire break and buffer between the nature area and nearby houses in case of a fire.

### Bird House Removal

If you have a bird house located in the trees along the 18<sup>th</sup> Street or 8<sup>th</sup> Avenue back alleys please remove it by the end of September to prevent damage.

For more information please call the Town Office at 780-842-3381.
